

and forgiveness and not rebelliously living for the old depraved self. The forgiven sinner cannot therefore turn from a life of humble faith in order to fall back into pride and boasting against unbelievers, even Jewish unbelievers; because the forgiven sinner himself stands before G-d only through the continuing repentance of saving faith. And this saving faith knows itself freed from sin's enslavement only in continuing repentance under G-d's kindness and grace.

**Why not pray to receive salvation? Pray this:
HOW TO RECEIVE MOSHIACH PERSONALLY.**

Avinu Malkeinu, have mercy on me a sinner. I believe with perfect faith in the prophet Isaiah's words, "*Musar Shalomeinu Alav*" ("The punishment, the chastisement, that brought us peace was upon him"), that is, upon the *Moshiach*. I admit that I need this, and I thank *Hashem* for the *shalom* of *Moshiach's saving kapparah*. Because of this, I believe I am cleansed from my sin, which I now freely confess, believing that G-d is faithful and just and will forgive my sin and set me free from all unrighteousness. I confess without shame that *Moshiach Yeshua* is *Adoneinu*, and I believe in my heart that G-d *Avinu* raised him from the dead in *Moshiach's Techiyas HaMesim* (Resurrection of the Dead), according to the Hebrew Bible. Since *Avinu* sent his personal *Devar*, his Word, *Ben HaElohim*, as *Moshiach*, I for my part will obey *Moshiach* and his words in the Complete Holy Jewish Scriptures as these are opened to me by the guidance of the *Ruach HaKodesh*. I promise to fellowship with other believers in *Moshiach* and to work and pray with them in one accord to share my witness and thus help to fulfill the *Moshiach's* Great Commission to Israel and the nations of the whole world. *B'Shem Moshiach*, Amen.
