

Listen! Hashem made sure of one thing when the Beis HaMikdash was rebuilt after the Golus in Babylon. Hashem made sure that the Kohen Gadol (High Priest) in charge (516 B.C.E.) was named Yeshua or Yehoshua. Zecharyah HaNavi walked up to him and he said, "Behold the Man [the anglicized Greek form of this Kohen Gadol's name was J \_\_\_\_\_]...Behold the Man whose Name is Moshiach. His Name is Moshiach! His Name is Moshiach!" You say, "Where does it say that in our Hebrew Bible?" Zecharyah 6:11-12. Where is this recorded? In the Tanakh.
