Here is a question that changed the world:

“Do you want to spend the rest of your life selling sugared water, or do you want a chance to change the world?” Someone heard those words and left Pepsi-Cola to become the CEO of Apple in the Silicon Valley in California. Let me ask you a similar question: do YOU want a chance to change the world? It was not Steve Jobs’ Buddhism that caused Apple to change the world; it was the person’s FAITH in Apple that bankrolled the whole enterprise. That funder, whom I will not name, made it possible for Apple to go from a goofy startup to a full-blown production line that changed the world. And even today, and even in the Silicon Valley, God uses the widow’s mite and her faith (Luke 21:1-4). When Linda with her transplanted kidney and high-bloodpressured red face, says to the piano mothers, “Don’t pay me for the piano lesson; give it to the ministry,” THAT is the widow’s mite!

You say, “But you are in NEW YORK CITY, Phil Goble, and not in the SILICON VALLEY!” Not so! The Orthodox Jewish Bible translation and the NEW CREATION BIBLE FOR MUSLIMS translation are now, thanks to your prayers, residing in the Silicon Valley! It says “Multitudes in the Valley of Decision!” and it says, In the Valley of Elah David took his walking stick in his hand and went to find five smooth stones from the stream. He put the five stones in his shepherd’s bag and held his sling in his hand. Then he went out to meet the Giant. And one quarter of the world is Muslim and the fastest growing segment of the Jews is Orthodox, and being sent out by the Lord to meet this “Giant” are two translations God has raised up. And in response to your intercession and faith, (Praise His Name) our Great God has raised them up to go out from the Silicon Valley to the ends of the earth (with your prayers and your “mite”--a mite was worth 1/5 of a penny, and was the smallest Roman coin, but since it was all the widow had monetarily, it represented her net worth, which she put on the line for the Lord’s work, which Linda does everyday on a piano bench with a little child at the piano keys giving an unremunerated piano lesson.) Now do you realize how important INDEED are the funder dollars you give? If only you could see this from the view of Eternity! God is sitting on that piano bench! And with you! And with us all!
