

11 cities with their villages;  
 |52| Arav, and Dumah, and Esh'an,  
 |53| And Yanum, and Beit Tappuach, and Aphekah,  
 |54| And Chumtah, and Kiryat Arba, which is Chevron, and Tzior; 9 cities with their villages;  
 |55| Maon, Carmel, and Ziph, and Yutah,  
 |56| And Yizre'el, and Yokdeam, and Zanoah,  
 |57| Kayin, Giveah, and Timnah; 10 cities with their villages;  
 |58| Chalchul, Beit-Tzur, and Gedor,  
 |59| And Maarat, and Beit-Anot, and Eltekon; 6 cities with their villages;  
 |60| Kiryat Baal, which is Kiryat-Ye'arim, and Rabbah; 2 cities with their villages;  
 |61| In the midbar, Beit Aravah, Middin, and Sechachah,  
 |62| And Nivshan, and the Ir HaMelach, and Engedi; 6 cities with their villages.  
 |63| As for the Yevusi, the inhabitants of Yerushalayim, the Bnei Yehudah could not drive them out; but the Yevusi dwell with the Bnei Yehudah at Yerushalayim unto HaYom Hazeh.

**16** And the goral (lot) of the Bnei Yosef ran from the Yarden by Yericho, east of the spring at Yericho, to the midbar that goeth up from Yericho into the hill country of Beit-El,  
 |2| And goeth out from Beit-El to Luz, and passeth along unto the territory of Arkhi to Atarot,  
 |3| And goeth down westward to the territory of Yaphleti, unto the territory of Lower Beit Choron, and to Gezer; ending at the Yam [*Mediterranean Sea*].

|4| So the Bnei Yosef, Menasheh and Ephrayim, inherited their nachalah.  
 |5| And the boundary of the Bnei Ephrayim according to their mishpekhoh was thus: the boundary of their nachalah on the east side was Atarot Addar, unto Upper Beit Choron;  
 |6| And the boundary ran toward the Yam to Michmetat on the north side; and the boundary ran eastward unto Taanat Shiloh, and passed by it on the east to Yanochah;  
 |7| And it ran down from Yanochah to Atarot, and to Naarah, and came to Yericho, and ran to an end at the Yarden.  
 |8| The boundary ran from Tapuach westward unto the Wadi Kanah; and the end thereof ran to the Yam. This is the nachalah of the tribe of the Bnei Ephrayim by their mishpekhoh.  
 |9| And the towns set aside for the Bnei Ephrayim were inside the Bnei Menasheh, all the towns with their villages.  
 |10| And they drove not out the Kena'ani that dwelt in Gezer: but the Kena'ani dwell among the Ephrayim unto yom hazeh, and serve under forced labor.

**17** There was also a goral (lot) for the tribe of Menasheh; for he was the bechor of Yosef; Machir was the bechor of Menasheh and the av of Gil`ad, and because he was an ish milchamah, therefore he got Gil`ad and Bashan.  
 |2| There was also a goral (lot) for the rest of the Bnei Menasheh by their mishpekhoh; for the Bnei Aviezer, for the Bnei Chelek, for the Bnei Asriel, for the Bnei Shechem, for the Bnei Chepher, and for the Bnei Shemida; these were the zekharim of the Menasheh

ben Yosef by their mishpekhoh.  
 |3| But Tzelophechad ben Chepher ben Gil`ad ben Machir ben Menasheh had no banim, but banot; and these are the shmot of his banot, Machlah, and Noah, Choglah, Milcah, and Tirtzah.  
 |4| And they came near before Eleazar HaKohen, and before Yehoshua ben Nun, and before the nasi'im saying, Hashem commanded Moshe to give us a nachalah among acheinu. Therefore according to the commandment of Hashem he gave them a nachalah among the achim of their av.  
 |5| And there fell ten tracts of land to Menasheh, in addition to Eretz Gil`ad and Bashan, which were on the other side of the Yarden;  
 |6| Because the banot of Menasheh had inherited a nachalah among his banim; and the rest of the Bnei Menasheh had Eretz Gil`ad.  
 |7| And the boundary of Menasheh was from Asher to Michmetat, that lieth before Shechem; and the boundary ran along to the right to the inhabitants of Ein Tapuach.  
 |8| Now Menasheh had Eretz Tapuach; but Tapuach on the border of Menasheh belonged to the Bnei Ephrayim;  
 |9| And the boundary descended unto the Wadi Kanah, southward of the Wadi; these towns of Ephrayim are among the towns of Menasheh; the boundary of Menasheh also was on the north side of the Wadi, and ended at the Yam;  
 |10| Southward it was Ephrayim's, and northward it was Menasheh's, and the Yam is its boundary; and they met together in Asher on the north, and
