

Have you ever heard anyone say “Jews can’t believe in Jesus?” Well! I’m Jewish, and I do believe in Jesus (Yeshua). He saved my life. He came in and took away what was killing me. At the age of 16 I was dying from BULIMIA and ANOREXIA. I weighed 75 lbs. My potassium blood level was 1.08.

I had been everywhere you can imagine to find help—psychic healers, diviners, holistic medicine, psychologists, psychiatrists. I’d been hospitalized in every major hospital in New York 17 times. But all those things failed, leaving me even more empty, hopeless and sick.

Perhaps you are also struggling with something. What happened for me can happen for you.

My Savior found me and saved me and had mercy on me. “Say to the Daughter of Zion, thy Salvation cometh!” (Isaiah 62:11). On October 29, 2001, I, a Jewish girl, a daughter of Zion, received my Moshiach. His Name means salvation, Yeshuah! His scourging healed me (for “by His Scourging we are healed” Isaiah 53:5). I was miraculously healed of BULIMIA and ANOREXIA, and a week later received the wonderful infilling of the Ruach Hakodesh. Only this awesome Savior can bring you true fulfillment. Ask Him. Pray, “G-d I’m a sinner. I ask you to forgive me and cleanse me from my sin. I submit my life to You, Yeshua. Come into my heart as my L-rd and Savior. Amen.” Beth Shalom P.O.
